PROFILE

Dalina Gjicali, Managing Director at EPPC Albania, is a professional with 10+ years of Human Resource management experience. She currently facilitates training programming from EPPC's portfolio of over 20 courses and provides high level, strategic support to a wide range of clients.

Before joining EPPC, Ms. Gjicali worked in the Banking, Automotive and Airline industries. She has also served as a Senior Trainer & Expert and her training expertise included leadership and organizational development, talent management, change management, recruiting, performance management, employee on-boarding, and succession planning. Throughout her career, Dalina has been a trusted business partner to her clients, providing workplace solutions for some of the most challenging problems.

She's also certified as an Extended DISC Practitioner through Extended DISC N.A. Inc. Ms. Gjicali utilizes the Extended DISC Assessments™, which identifies individuals' hard-wired DISC style and helps them understand their behaviors in life and how they can adjust to be more successful.

Ms. Gjicali earned a B.A. in Business Management from Napier University, Edinburgh, Scotland and a Science Degree - Concentration in Marketing at State University of New York, Empire State, College, USA. She also holds various Certification through the years in Leadership, Management, HR, Training and Development, Reasoning, Extended DISC Certified. Etc.
