HUMAN RESOURCES TRAININGS FINANCIAL MANAGEMENT

Eppc on behalf of its client, a **leading international brand for warewashing solutions** for the hotel and catering sector, is currently recruiting a **Service Engineer**.

Major Responsibilities:

- Responsible for maintaining, servicing and the repair of warewashing equipment;
- Plan the servicing work in advance so the output of the factory is not affected by the service work;
- Make detailed reports on all the work that is done on each machine;
- Ensure that any parts that need replacing are available in stock;
- Work on improving the performance of the machine;
- Conduct safety checks on all the machines or it could prove to be dangerous for the workers working on them;
- Keep an inventory of equipment required for the repair work;
- Inspect all the machines and make reports for the management that whether or not new machines are required.

Requirements for this position are:

- University degree in Engineering;
- Electrical qualification (Must);
- Fluent English (German is an advantage);
- Able to work unsupervised;
- Familiar with computerised logging and job allocation systems, including CRM;
- 5 years of experience in similar works (preferably with single and 3 phase equipment);
- Excellent customer service skills;
- Driver's license (B Category).

How to apply:

To apply for this opportunity, please send your CV until **17/07/2017** and supporting documents, mentioning the position that you are applying for, to:

recruitments@eppc.al

You will be contacted by eppc only if your CV & support documents will be qualified by our evaluation team.
