

EPPC Albania on behalf of its client, is currently recruiting a **Head of Supply Chain**.

Major responsibilities:

- Develop and implement procurement strategies for feed, equipment, packaging and other necessary materials. Negotiate with suppliers to ensure quality and cost-effectiveness;
- Perform production planning processes for the slaughterhouse, hatchery, and live bird production. Ensure efficient scheduling and resource allocation to meet production targets;
- Continuously analyze and improve supply chain processes to increase efficiency, reduce costs, and ensure timely delivery;
- Develop and manage logistics strategies, including transportation and distribution of products, ensuring compliance with regulatory standards;
- Work closely with other departments such as sales, finance, and quality control to align supply chain activities with overall business objectives;
- Identify and manage supply chain risks, including supply disruptions and fluctuations in market demand;
- Lead and develop the supply chain team, fostering a culture of continuous improvement and professional growth.

Requirements for this position are:

- Bachelor's or Master's degree in Supply Chain Management, Business Administration, or related field;
- Minimum of 7 years of experience in supply chain management, preferably in the poultry or related food industry;
- Strong knowledge of production planning, logistics, and procurement;
- Strategic thinker with a holistic understanding of supply chain operations;
- Strong organizational and project management skills;
- Excellent leadership, communication, and negotiation skills;
- Proficiency in both Albanian and English;
- Strong analytical and problem-solving abilities;
- Ability to work under pressure in a fast-paced environment;
- Results-oriented with a focus on delivering high-quality outcomes.
