

EPPC Albania, on behalf of its client, an **International Company**, active in **29 countries worldwide**, specialized in *strategic consulting activities, strategic marketing, web and multimedia, telemarketing and CRM*, is currently recruiting a **Manual Software Tester**.

Main Responsibilities:

- Performing manual tests to validate the functionality of web products, ensuring compliance with requirements;
- Documenting and tracking identified bugs, following their entire lifecycle until resolution;
- Analyzing post-deployment impact, verifying that updates do not introduce regressions or malfunctions;
- Collaborating with the QA team and developers to improve product quality by suggesting solutions for identified issues;
- Creating, updating, and executing manual test cases and test plans, adapting them to different devices, browsers, operating systems, and test environments;
- Actively participating in Agile/Scrum meetings (daily stand-ups, sprint planning, retrospectives) to stay aligned with the team on ongoing activities and priorities;
- Validating user experience and usability, reporting any navigation or interaction issues with the interface;
- Contributing to the continuous improvement of testing processes, identifying areas for optimization and proposing best practices.

Requirements for this position are:

- **Previous experience in manual test execution**, preferable in web products;
- **Knowledge of quality assurance methodologies**;
- Preferable knowledge of these tools: Jira, Google Suite Docs and Sheets, Browserstack;
- Skills in functional, UX/UI and compatibility tests;
- Experience in Agile methodology;
- **Proficiency in English is required.**

What the company offers:

- **Salary 125,000 All/Gross monthly & MBO bonus based on annual performance** (10% of total annual gross salary);
- **Health check up** (once a year) & **Sigal Insurance Card** – discounts in private hospitals;
- **Office located in “Bllok” area**;
- **Remote working twice a week** (Monday & Friday)
- **Training annual budget** (300€ net).

How to apply:
